The table above shows the number and percent of households in different income brackets that pay over 30% of household income for rental or ownership costs. It illustrates that the burden of housing costs weighs more heavily on lower-income families.

About 83% of Todd County residents own their home and 17% are renters.

Generally, when households spend more than 30% of their income to meet housing costs, they do not have enough income to meet other basic needs or weather financial setbacks.
Lower-income households face extreme affordability challenges.

The chart below compares the median earnings of different workers to the income required for affordable housing. The median household income for Todd County was $37,095 in 2006.

In Todd County, a median-priced home is $95,000, and the fair market rent for a two bedroom apartment is $566 per month. Since 2000, home prices have increased by 49.1% and fair market rent has increased by 28.1%.

Approximately 17% of homeowners and 31% of renters in Todd County spend over 30% of their household income on housing.

In Todd County, a family of four with two full-time wage earners needs to earn a combined annual salary of $44,604 to afford the basic cost of living.

41% of jobs in Todd County and counties nearby pay less than the regional wage required to afford basic needs.

The average annual unemployment rate in Todd County was 4.5% in 2007.

Foreclosures in Minnesota
- In Todd County in 2007, there were about 108 foreclosures, a 200% increase from 2005.
- Left unaddressed, abandoned foreclosed properties destabilize neighborhoods, erode the local tax base and drive up the costs of municipal services.

Homelessness in Minnesota
- In 2006, 28% of all adults experiencing homelessness in Minnesota reported income from work, with 12% working full time.
- 39% of Minnesota’s homeless population cite the inability to afford housing as a primary reason for leaving previous housing.
- Roughly 9,200 Minnesotans are homeless and 7,700 are precariously housed in temporary or unstable housing. Thirty-eight percent (38%) of these are children and youth.
- On a single day in 2006, 354 people were sheltered in the Central Region, including 101 children.

Extreme Cost Burden
- Approximately 14% of renter households pay over 50% of their income on housing in Todd County.
- For homeowner households in Todd, 6% pay over 50% of their income on housing.
