
2018/2019 HOUSING INSTITUTE

Baseline Reflections for Housing Institute Team Members

Please reflect on the following questions.

Your team (circle one): Team 1

Team 2

Team 3

In thinking about your region's housing development projects (e.g. new construction, acquisition-rehab, supportive housing) over the past 3 years, how have organizations on your team collaborated? Please provide examples.

In thinking about your region's housing programs (e.g. public housing, weatherization, first time homebuyer programs, Section 8) over the past 3 years, how have organizations on your team collaborated? Please provide examples.

In thinking about your region's economic development activities over the past 3 years, how have organizations on your team collaborated? Please provide examples.

Made possible through funding from:

How did the registration process and preparation for the Housing Institute impact collaboration among the different organizations on your team, if it did? *(Impact might be felt in terms of envisioning projects, motivation to carry out ideas, sharing resources, or other ways.)*

Ideally speaking, what would you consider to be a successful outcome of participation in the Housing Institute:

For your team?

For your organization?

For you individually?
